

Cameron Hope

cameron@cameronhope.co.uk • (+44) 07934 331817 • Winchester, Hampshire

PROFESSIONAL PROFILE

Highly motivated Computer Science graduate with a first-class honours degree from the University of Reading. Recent software development projects in HTML, CSS, JavaScript, React, and C#. Determined, self-starter with an aptitude for problem solving and a passion for technology. Keen to build on programming and technical skills in an entry level software development position.

EDUCATION

University of Reading **September 2020 - July 2023**
BSc (Hons) Computer Science (1st) *Reading, Berkshire*

Individual Project:

- Developed a multiplayer networked game using C# and Unity.
- Designed and implemented both gameplay mechanics and network functionality to allow players to connect and compete in real-time.
